

# Olaniyan, Olajide Adewale

## Web & Applications Developer

+2348175981494 | jidd32@gmail.com | Lagos, Nigeria

### PROFESSIONAL SUMMARY

---

A prolific full stack software developer with 8+ years' experience in software development, IT networking and solution integration exercises. I have contributed to numerous software projects (businesses and non-profit applications) and network infrastructure projects with remarkable recognitions and awards. A music lover with a great flair for jazz. When doing nothing, I am with my guitar.
